OFFICIAL LANGUAGES POLICY

Policy Statement:

Athletics Canada is committed to the promotion and use of the two (2) official languages of Canada in the delivery of its services.

Purpose:

The Athletics Canada official languages policy is founded on the belief and respect for the linguistic rights of members of Athletics Canada. In keeping with that belief, the purpose and application of the official languages Policy is consistent with spirit and intent to both the *Canadian Charter of Rights and Freedoms (1982)* and the *Official Languages Act (1988)*

Application:

All important communications such as press releases and specified bulletins should be translated. In addition, all publications will be provided in both official languages. Administrative details are outlined in operations manual. If there are any discrepancies or disputes as to whether or not a document requires translation, determination will be made by Senior Management for the department to which the document applies.
