

Athletics Canada Coach Mentorship Program High Performance Relay Camps

Program Overview

Athletics Canada High Performance Coach Mentorship Program provides the opportunity for aspiring coaches to gain experience to be fully immersed in the daily training environment with top Canadian athletes, Athletics Canada Hub Staff and Integrated Support Teams during designated training camps and designated testing opportunities.

Each mentorship opportunity will be unique, connected to designated hub activities, generally training camps and/or athlete evaluation camps. Athletics Canada endeavors to offer four to six opportunities each year, with each opportunity being open to up to 5 coaches based on an open application process, subject to budget and team restriction. The specific number of mentorship opportunities and costs will be communicated at the same time as application process for each opportunity.
