Note that this clause is notwithstanding any qualification standards set by a Governing Body, AC reserves its right to set standards that are stricter than those set by any Governing Body.
- d. AC’s National Team Committee (“NTC”) is responsible for the contents of this Criteria and has the sole authority and discretion to make changes to its contents. The Selection Panel has the sole authority and discretion to make decisions relating to the selection of athletes based on these criteria. The Selection Panel is covered in Section 10, below.

4. Key Dates

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS RACE WALKING TEAM CHAMPIONSHIPS

- iii. Total number of athletes finishing in the top half of their field;

6. Funding

- a. Athletes will be responsible for all costs associated with transport to and from their approved local airport.
- b.
All other reasonable costs of participation at this event will be covered by AC.

7. World Athletics Race Walking Team Championships Events

a. Events

AC may select athletes for the Events listed immediately below. Each Event is contested separately by men and by women, unless stated otherwise:

Senior: 20km and 35km
U20: 10km

- b. **Maximum Entries per Event:** AC will select up to a maximum of five (5) athletes per senior event and three (3) athletes per U20 event, provided they have achieved the qualifying standard (Appendix A) during the qualifying period (Section 4).

8. Selection Process

- a. The Selection Panel (Section 9) will make decisions in person or electronically, guided by these Criteria, on the Selection Meeting Date[s] (Section 4.d).
- b. A Qualified Athlete is an Eligible Athlete (Section 12) who has achieved one or more Eligible Performances (Section 13) that meet or exceed the team qualifying standard as listed in Appendix A.
- c. The Selection Panel will only consider Qualified Athletes (see above).
- d. **Individual Athlete Selection:**
 - i. All eligible athletes (section 12) who have achieved the individual qualifying standard (Appendix A) during the qualifying period (section 4) will be considered.
 - ii. The maximum number of eligible athletes will be selected for each event (subject to the limits in section 7.b) except for the 35km walk.
 - iii. The NTC may consider, at its sole discretion, selecting U23 athletes who have reached the U23 individual standard. This aspect of the criteria is intended to

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS RACE WALKING TEAM CHAMPIONSHIPS

support athletes with the realistic capacity to be selected to future World Championships or Olympic Games. In this case, selection will be based on all of the following criteria:

1. The athlete must be born in 2002, 2001 or 2000, and
 2. The athlete must show a clear progression over the last three years, and
 3. The athlete must not displace a senior athlete with a faster eligible individual qualifying standard.
- iv. For the avoidance of doubt the U23 athlete may, at the NTC's sole discretion, take a place that could otherwise be taken by a slower senior athlete or a senior athlete eligible for a team selection).
 - v. The 35km is a very physically challenging event. Therefore 35km athletes (male or female) will only be selected if the NTC is convinced of their "proven international caliber" in race walking.
 - vi. Athletes may qualify for the 35km event by virtue of achieving a time standard in the 50km (Appendix A) during the qualifying period (section 4).
 - vii. Should more than the maximum number of eligible athletes be selectable for any particular event the selection panel will prioritize the athletes who, in their opinion and at their absolute discretion, are the most likely to achieve team objectives (section 2) based on the following factors (in any order) and any other factors that they consider relevant:
 1. Eligible performances within the Qualifying Period;
 2. Head-to-head results within the Qualifying Period;
 3. Recent form and fitness;
 4. The most recent National Championships results; and
 5. The athletes' international championships results.

e. Team Selections:

- i. All eligible athletes (section 12) who have achieved the team qualifying standard (Appendix A) during the qualifying period (section 4) will be considered.
- ii. For all events except the 35km, teams will only be selected if a minimum of three athletes are selectable.
- iii. The NTC may consider, at its sole discretion, selecting U23 athletes who have reached the U23 team standard. This aspect of the criteria is intended to support athletes with the realistic capacity to be selected to future World Championships or Olympic Games. In this case, selection will be based on all of the following criteria:
 1. The athlete must be born in 2002, 2001 or 2000, and
 2. The athlete must show a clear progression over the last three years, and
 3. The athlete must not displace a senior athlete eligible for selection as a team member who has a faster eligible team qualifying standard.
- iv. The 35km is a very physically challenging event, especially in the weather conditions likely at this event. Therefore Teams for the 35km (male or female) will only be selected if the NTC is convinced a minimum of three selectable team members are of "proven international caliber" in race walking.

2022 WORLD ATHLETICS RACE WALKING TEAM CHAMPIONSHIPS

 - 1. For four athletes to be selected: during the qualifying period all the athletes must have achieved the team qualifying standard and at least one of these athletes must have achieved the individual qualifying standard (senior or U23 as appropriate).
 - 2. For five athletes to be selected, during the qualifying period all the athletes must have achieved the team qualifying standard and at least two of these athletes must have achieved the individual qualifying standard (senior or U23 as appropriate).

d. Grounds for an Appeal

The Commissioners' Office will determine whether an appeal will be considered, based on the following factors:

- i. The Selection Panel failed to follow the processes outlined in this Selection Criteria;

- iii. The selection decision was influenced by bias, bias being defined as a lack of neutrality to such an extent that the Selection Panel was unable to consider other views.

f. Injury or illness

Where an Appeal relates to injury or illness, the athlete must supply documentation from a medical practitioner diagnosing the injury or illness. In deciding such appeals, AC's Commissioners' Office may obtain input from the AC Chief Medical Officer, or designate. Any decision by the Commissioner on an appeal relating to illness or injury must take into consideration the athlete's ability to fulfill the Competitive Readiness Requirements contained in this Selection Criteria.

g. Right to a Second Appeal

If an athlete is not satisfied with the decision of the Commissioner, a formal second appeal may be available, timelines permitting, pursuant to The Commissioner's Office – Terms of Reference (see <http://athletics.ca/federation/governance/policies-rules-laws/>) to the Sport Dispute Resolution Centre of Canada (SDRCC).

17. Amendments

AC reserves the right to amend this Selection Criteria. If amendments are made, they will be communicated as soon as possible through the AC website.

Athletics Canada is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact this competition. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, Athletics Canada will respect this selection criteria as written.

However, situations related to the coronavirus pandemic may arise that require this criteria to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the criteria (including Athletics Canada's decision whether or not to send a team). In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS RACE WALKING TEAM CHAMPIONSHIPS

Further, situations may arise that do not allow this criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including selection decisions, will be made by the individual(s) with decision-making authority, as stated in this criteria in accordance with the stated performance objectives as stated herein. Should it be necessary to make any decision in this manner, Athletics Canada will communicate with all affected individuals as soon as possible.

In addition to the above, the NTC may amend the Criteria under the following circumstances:

- 1) When additional (or altered) information that is deemed relevant by the NTC to the Criteria is provided by external parties, such as (but not limited to) an event organizing committee, Sport Canada, the Canadian Olympic Committee, World Athletics, or any other relevant organization; and
- 2) To correct, clarify or amend any inconsistencies, errors or omissions in the Criteria.

Any amendments made by the NTC are deemed to come into effect immediately upon publication on the AC website. The NTC will publish the amended Criteria by whatever means and wherever the original Criteria were published.

18. Unforeseen Circumstances

In situations where unforeseen circumstances do not allow the process for selection as contemplated in this Selection Criteria to be implemented, the NTC reserves the right to determine an appropriate course of action. Depending on the circumstances, such course of action may involve implementation of an alternate process for selection.
