2. Change History

This is version 2.0 of these Criteria, which supersedes all previous versions. The following amendments have been made:

Athletics Canada Selection Criteria 2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

June 17, 2022:

- Section 4:
 - o Changed Final Team Selection from July 11th to July 13th.
 - o Input team departure date.

3. Overview

- a. These Selection Criteria (“Criteria”) set out Athletics Canada’s selection processes for the World Athletics U20 Championships team along with the eligibility and qualification requirements that an athlete must satisfy in order to be considered for selection.
- b. Entries to World Athletics U20 Championships are limited by the bylaws, rules and regulations of the following Governing Bodies:
 - i. Athletics Canada (“AC”);
 - ii. The World Athletics U20 Championships Local Organizing Committee (“LOC”); and
 - iii. World Athletics (“WA”).
- c. If there are contradictions between any of the Governing Bodies’ bylaws, rules and/or regulations and these Criteria, then the more restrictive will take precedence. Note that this clause is notwithstanding any qualification standards set by a Governing Body, AC reserves its right to set standards that are stricter than those set by any Governing Body.
- d. AC’s National Team Committee (“NTC”) is responsible for the contents of this Criteria and has the sole authority and discretion to make changes to its contents. The Selection Panel has the sole authority and discretion to make decisions relating to the selection of athletes based on these criteria. The Selection Panel is covered in Section 10, below.

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

5. Team Objectives

- a. This selection process is designed to align with AC's Strategic Plan 2028. As such, it seeks to prioritize the selection of athletes who have demonstrated an ability to contribute to the following performance targets at the World Athletics U20 Championships, presented in priority order:
- i. Total number of medals;
 - ii. Total number of top 8 finishes;
 - iii. Total number of athletes finishing in the top half of their field;
 - iv. Total number of athletes beating their pre-event ranking;
 - v. Total number of athletes setting personal bests; and
 - vi. Total number of athletes setting season's bests.

6. Funding

The final cost of participation as dictated by the LOC has yet to be finalized. Subject to this information, combined with finalized AC approved budget figures for 2022-2023, there is a possibility athletes will be asked to pay a Competition Levy in order to compete. The Competition Levy must be paid in full to an AC account before they travel to the 2022 World Athletics U20 Championships. Failure to pay the Competition Levy on time will result in the athlete being removed from all events at the 2022 World Athletics U20 Championships.

7. World Athletics U20 Championships Events

a. Events

AC may select athletes for the Events listed immediately below. Each Event is contested separately by men and by women, unless stated otherwise:

i. Individual Events:

Sprints:	100m, 200m, 400m,
Endurance:	800m, 1500m, 3000m, 5000m, 3000m S/C,
Hurdles:	100mH (women), 110mH (men), 400mH,
Jumps:	HJ, PV, LJ, TJ,
Throws:	SP, DT, HT, JT,
Combined Events:	Heptathlon (women), Decathlon (men),
Walks:	10,000m RW

ii. Relay Events:

Single gender:	4 x 100m relay, 4 x 400m relay
Mixed gender:	Mixed 4 x 400m relay

b. Maximum Entries per Event

- i. **Individual Events:** up to two (2) athletes may be selected per Event.

ii. Relay Events:

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

1. Athletes entered into an individual event may be selected on site to contest the relays.

c. Maximum Events per Athlete

- i. **LOC restrictions:** The maximum number of events in which a Youth athlete (born in 2005) can compete is two individual events plus one of the relays. If the two individual events are Track Events, only one of these may be longer than 200m.
- ii. **Scheduling conflicts:** Where the Selection Panel believe that a likely scheduling conflict will impact an individual athlete's and/or the overall team's ability to meet the Team Objectives (Section 5) they may limit the number of events for which they select the impacted athlete(s).

iii. Selection For More Than One Event

AC believes that athletes and coaches should carefully consider contesting more than one event (not including the relay) at the World Athletics U20 Championships. If an athlete is likely to qualify for more than one event, the athlete and their coach should carefully consider whether it is wise to attempt competing in more than one event (i.e. a "double"), as the case may be. In making a determination, the athlete and their coach should consider the following factors:

1. the World Athletics U20 Championships timetable;
2. the likely local weather and other environmental considerations (including altitude);
3. the likely opposition (i.e. the level of competition and depth of field in the particular events);
4. the maturity of the athlete; and
5. experience of the athlete.
6. Specifically, AC believes that contesting multiple endurance events in the same championships is particularly challenging at the World Athletics U20 Championships – both for results at these championships and for the athlete's long term future development. AC will be available to assist coaches, athletes and/or parents, as the case may be, in coming to a decision about competing in more than one event (i.e. "doubling") at these championships.

8. Selection Process

- a. The Selection Panel (Section 9) will make decisions in person or electronically, guided by these Criteria, on the Selection Meeting Date[s] (Section 4.d).
- b. A Qualified Athlete is an Eligible Athlete (Section 12) who has achieved one or more Eligible Performances (Section 13) that meet or exceed the AC Minimum Entry Standard ("AC MES") as listed in Appendix A.
- c. The Selection Panel will only consider Qualified Athletes (see above).

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

d. Discretionary Selection Decisions

Whenever these Criteria give the Selection Panel a choice between two or more Qualified Athletes then the Selection Panel will use its joint experience and expertise to select the athlete(s) who, in their sole opinion, are most likely to contribute to the Team Objectives (Section 5) at the World Athletics U20 Championships.

i. Individual Events

In making these decisions related to Individual Events the Selection Panel will take into account, but not be limited to, the following factors (the order of factors does not imply an order of priority for the Selection Panel):

- Best performance during the Qualifying Period;
- Head-to-head results during the Qualifying Period;
- Results at the National Championships in this event;
- Health and fitness levels that indicate optimal competitive readiness;
- Competition evidence of the ability to performance on demand, preferably in the same event and at this level of competition;
- The impact of the likely competition schedule for athletes competing in one or more events and/or one or more rounds

ii. Relay Events

In making these decisions related to Relay Events the Head Coach will take into account, but not be limited to, the following factors (the order of factors does not imply an order of priority for the Selection Panel):

- Best performance during the 2022 season in individual events;
- Head-to-head results during the 2022 season in individual events;
- Placing at the National Championships in his/her individual event.
- Health and fitness levels that indicate optimal competitive readiness.
- Commitment to the National Relay program as determined by attitude, attendance, participation, and performance at national team camps, competitions, and events.
- Performance on previous relay teams.
- Assessment of relay skills and position suitability.
- The impact of the likely competition program for athletes competing in one or more events and/or one or more rounds

For the avoidance of doubt: ranking in an individual event (e.g. the 100m for the 4x100m relay) is important but is not the only factor in making relay squad nominations.

For the avoidance of doubt: in order to distinguish between two or more Qualified Athletes (Section 8.b8.c) for any event the Selection Panel may, at their sole

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

discretion, consider additional official competition performances that don't fully otherwise meet the Eligible Performances criteria (Section 13).

e. Individual Event Selection Process

i. Step 1 – National Champions

Canadian athletes who finish 1st at the selection trials (see section 4) , in the officially recognized U20 category, will automatically be selected, provided they achieve the necessary Qualifying Standard (see Appendix A) within the Qualifying Period (see section 4) and meet the eligibility requirements outlined in section 12. For the avoidance of doubt, not all automatic selections will necessarily be known upon conclusion of the Trials, as National Champions have until the end of the Qualifying Period to achieve the Entry Standard required to achieve automatic selection.

NOTE: For the purposes of selection, ties at the selection trials will be broken in the following priority order:

- 1) Best performance within the Qualifying Period
- 2) Head-to-head results within the Qualifying Period
- 3) Most recently achieved standard

If the tie is still not broken, the Selection Panel will use its discretion to do so considering the additional factors outlined in Section 8.c.

ii. Step 2 – Additional Athletes

The top ranked eligible athletes (section 12) per the AC Performance Rankings who have achieved the Qualifying Standard (see Appendix A) during the Qualifying Period (see section 4) will be selected until the Maximum Entries per event (section 7.b) have been filled. The Qualifying Standards were determined based on actual top-16 performances at recent World U20 Championships, or the World Athletics Standards in cases where they are more difficult.

NOTE: For the purposes of selection, ties in the rankings will be broken in the following priority order:

- 1) Best performance within the Qualifying Period
- 2) Head-to-head results within the Qualifying Period
- 3) Most recently achieved standard

If the tie is still not broken, the Selection Panel will use its discretion to do so considering the additional factors outlined in Section 8.c.

Athletics Canada Selection Criteria

2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

Depending on available athletes, Team Canada will compete in the 4x100m, 4x400m and 4x400m Mixed relays with the goal of top 8 performances or better.

- i. Relay decisions will rest with the appointed Head Coach as per the On Site Decision Making Authority (Section 15), based on the pool of athletes selected for individual events and considering the overall goal of achieving a top 8 performance without compromising any athlete's chances in their main (selected) event. The appointed Team Relay Coach, in consultation with the team's Head Coach, will determine which team members make up the relay team and the running order (based on the factors in section 8.c). Any team member may be asked to run in the relay. Potential athletes will be notified in a timely manner.
- ii. No athletes will be selected to the World Athletics U20 Championship team as relay-only athletes.
- iii. All potential athletes will be expected to sign a "Relay Agreement", which outlines responsibilities of selected relay team members, which includes expectations and commitments to the team. Athletes who fail to sign the agreement will be removed from the relay pool.

9. Selection Meeting(s)

- a. The Selection Panel (Section 10) will make decisions on the date(s) as indicated in Section 4 to select the team according to these Criteria.
- b. The Chair of the Selection Panel will decide if the meeting will be held in person or electronically, for example by voice or video conferencing or by email.
- c. AC will keep a written record of the proceedings of the Selection Meeting and its outcomes.
- d. The outcome will be published via an Official Team Announcement (Section 11).

10. Selection Panel

- a. The World Athletics U20 Championships Selection Panel has the sole authority and discretion to make decisions relating to the selection of athletes for the World Athletics U20 Championships up until the Team Travel Date (Section 4.e).
- b. From the Team Travel Date (Section 4.e) forwards "On-site Decision Making Authority" will apply (Section 15).
- c. The Selection Panel will be comprised of the members of the NTC.

11. Official Team Announcement

- a. The composition of the selected team will be announced by AC, on the AC website, as soon as practical after the Selection Meeting (Section 4.d).

12. Eligible Athletes

To be considered for selection for this team:

a. **Declaration:**

Athletes must declare their interest to compete by submitting the electronic declaration form, published on the AC website, by the Final Declaration Deadline (Section 4.c). Note that if circumstances dictate that an athletics team member who is not part of a nominated Relay Team is selected to run a relay at the World Athletics U20 Championships (if allowed by competition rules) then the athlete must sign the National Relay Team Athlete Agreement before competing. In these circumstances, the Head Coach can waive the

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

deadline above.

h. Inclusion on Multiple Teams

Selection for this team will not affect any athlete's eligibility to be selected and/or nominated for any other AC event, unless specifically note within the other event's Selection Criteria.

- i. Health Questionnaire (Electronic Pre-Participation Questionnaire)
- ii. Athlete Agreement
- iii. Relay Agreement
- iv. COVID-19 International Travel Waiver

 - v. Otherwise met all of the Performance Conditions (Section 13.d).

b. Eligible Competitions

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

- i. Performance results must be achieved at competitions organized or authorized by the WA, their Area Associations or National Member Federations, and must be conducted under WA rules. Thus, results achieved at university, college or school competitions must be certified by the National Member Federation of the country in which the competition was organized in order to be considered an eligible competition.
- ii. Performance results must have been achieved at competitions listed on an AC Branch Provincial Fixtures Lists or on a WA National Member Federation fixture list.
- iii. Canadian competitions must appear on Provincial Fixtures lists a minimum of 30 days prior to the competition. A Provincial Branch may request that this period be reduced where COVID pandemic related issues have made it unrealistic to list the competition earlier. The NTC will decide on a case-by-case basis if they will allow the performance to stand for selection purposes, provided the following requirements are met:
 - 1. The competition must appear on the Provincial Fixtures lists a minimum of 3 working days prior to the competition; and
 - 2. The Province must request an exemption, in writing, a minimum of 3 working days prior to the competition which includes how COVID related restrictions made it unrealistic to list the competition earlier. (The request should be addressed initially to the chair of the NTC, the High Performance Director.)

c. Official Ranking Lists

- i. The AC Performance Ranking Lists are published on the AC website.
- ii. The WA World Rankings Points Lists are published on the WA website.
- iii. An athlete's performance is considered to be on the Official Ranking Lists if:
 - 1. It is listed in the AC Performance Ranking Lists (which requires the athlete be an AC member in good standing at the time of the performance); or
 - 2. If these Criteria allow qualification by WA World Ranking points, then an athlete's overall World Ranking points score (which may include individual results that are not on the AC Performance Ranking Lists) must be listed on the WA World Rankings Points Lists.
- iv. It is the sole responsibility of the athlete to ensure that all of their relevant performances are included in the AC Performance Ranking Lists and/or WA World Rankings Points Lists prior to the relevant Selection Meeting (see Section 9).

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

d. Performance Conditions

i. Mixed Events

1. Performance results achieved in mixed track events under 5000m involving both male and female participants, held completely in a stadium, **will not** be accepted.
2. However, mixed relay team results **will be** accepted in the context of mixed relay event selections.
3. In accordance with World Athletics Rule 147 (available [here](#)), as amended from time to time, performances achieved in events of 5000m and 10,000m **may** be accepted in circumstances where there were insufficient athletes of one or both genders competing to justify the conduct of separate races and there was no pacing or assistance given by an athlete(s) of one gender to an athlete(s) of the other gender. Athletes are asked to highlight such results to the Selection Panel as early as possible so that their validity can be confirmed in advance.

ii. Wind-assistance

1. Individual wind-assisted performances **will not** be accepted.
2. For the Combined Events at least one of these conditions must be met:
 - The wind velocity in any individual event shall not exceed plus 4 metres per second.
 - The average wind velocity (based on the algebraic sum of the wind velocities, as measured for each individual event, divided by the number of such events) shall not exceed plus 2 metres per second.
3. Where qualification is allowed by WA World Ranking points and wind assisted results are allowed by the WA World Ranking system, an athlete's overall World Ranking points score (that may include wind assisted results) **will** be accepted.

iii. Hand-timed performances

Hand-timed performances in individual and relay events up to and including the 800m **will not** be accepted. For all other timed events, hand-timed results will be accepted as long as the result is properly documented and signed by the chief track referee. Note that where qualification is allowed by WA World Ranking points and hand timed times are allowed with the WA World Ranking system, the overall World Ranking points score (including hand timed results) will be accepted.

iv. Converted times

Converted times, for example a mile time converted to a 1,500m time, **will not** be allowed. Note that where qualification is allowed by WA World Ranking points and a combination of distances is allowed by the WA World Ranking system, an athlete's overall World Ranking points score (that may include converted times) will be

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

accepted.

v. **Split times**

Official split times, for example an official electronic 1,500m time within a mile race, **will** be accepted.

vi. **Downhill performances**

Downhill performances **will not** be allowed. Note that where qualification is allowed by WA World Ranking points and downhill performances are allowed by the WA World Ranking system, an athlete's overall World Ranking points score (that may include downhill performances) will be accepted.

vii. **Indoor performances**

Indoor performances **will** be accepted.

viii. **Racewalk and Road Running performances**

1. Both road and track performance results **will** be accepted.
2. All road results must be achieved in conformity with the following rules:
 - the course must be certified and sanctioned by a National Governing Body (Section 3.b).

14. Team Travel Obligations

- a. If there is a Competition Levy associated with this event it must be paid before the athlete can travel. No travel tickets will be issued until the Competition Levy is paid.
- b. Athletes who wish to participate on a National Team are required to comply with AC travel plans (including participation in pre-competition and pre-target-event training camps and competitions) as they pertain to training schedules, travel and accommodation schedules.
- c. By declaring interest for consideration for this team, athletes agree to fully participate in both the final preparation camp and the full duration of the event specified in Section 4 of this Criteria.
- d. By accepting a position on this team, athletes also agree to travel on the official traveling dates.
- e. In extraordinary circumstances, exceptions to these Team Travel Obligations may be granted at AC's sole discretion. The request for an exemption must be made in writing to the AC HPD in advance of travel dates, requests must be made on or before the Final Declaration Deadline (Section 4.c).
- f. Failure to comply with these Team Travel Obligations may result in de-selection from this team and may affect current high performance support status (for example CAPP or AAP

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

support) and/or future high performance support eligibility. Any additional costs incurred as a result of failure to comply with these Team Travel Obligations will be the sole responsibility of the athlete.

15. On-Site Decision Making Authority

- a. To ensure at-competition decisions may be made quickly and decisively in the best interest of performance, the following delegation of authority and processes for making final confirmation of entries onsite at the will apply. This includes, but is not limited to, decisions around removal of an athlete from the team, injuries and /or use of alternates, starting orders, relay team make up, etc.
- b. Starting on the Team Travel Date (Section 4.e) all final Decision Making Authority (“DMA”) will reside with the High Performance Director (“HPD”) or the team’s appointed Head Coach in the absence of the HPD.
- c. As per competition regulations, the athletes entered to compete in individual events will be confirmed during the competition. The timing is to be confirmed by the LOC but typically confirmations will be made before noon two days before the first day of competition and before 9am the day before each remain day of competition. Any final changes of the team will be made by the HPD (or whomever has the DMA).
- d. The deadline for confirming the composition of relay teams, including the running order, will be confirmed during the competition. The timing is to be confirmed by the LOC but typically confirmations will be made one hour before the published first call time for each relay event. The composition of the relay teams, including the running order, shall be at the sole discretion of the team’s Head Coach or the HPD in the absence of the Head Coach.

16. Appeals

- a. **Who Can Appeal**
Athletes who are directly affected by a selection decision have the right to appeal.
- b. **Filing a First Appeal**
 - i. Athletes should refer to the Commissioner’s Office – Terms of Reference for the full procedure for filing an appeal (see <https://athletics.ca/about-ac/governance/>).
 - ii. In the first instance, Appeals must be sent to the AC Commissioners’ Office via e-mail (to Commissioner@athleticscommissioner.ca) within the Appeals Period (Section 16.c below).
 - iii. All appeals must be accompanied by a fee of \$250 (payable to Athletics Canada). This amount will be returned if the appeal is successful. Contact appeals@athletics.ca for payment options.

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

c. Appeals Period

The Appeals Period starts when the Official Team Announcement is made (see Section 11) and ends **five (5)** calendar days later. (So if the Official Team Announcement is made on Monday the Appeals Period ends at midnight on the following Saturday.)

d. Grounds for an Appeal

The Commissioners' Office will determine whether an appeal will be considered, based on the following factors:

- i. The Selection Panel failed to follow the processes outlined in this Selection Criteria;
- ii. The selection decision was based on an error of fact; or
- iii. The selection decision was influenced by bias, bias being defined as a lack of neutrality to such an extent that the Selection Panel was unable to consider other views.

e. Affected Parties

If it is determined by the Commissioner that a first Appeal, if successful, would displace another athlete nominated to the team as per this Selection Criteria, then that athlete will be consulted as part of the Commissioner's deliberations, and will be bound by the Commissioner's decision.

f. Injury or illness

Where an Appeal relates to injury or illness, the athlete must supply documentation from a medical practitioner diagnosing the injury or illness. In deciding such appeals, AC's Commissioners' Office may obtain input from the AC Chief Medical Officer, or designate. Any decision by the Commissioner on an appeal relating to illness or injury must take into consideration the athlete's ability to fulfill the Competitive Readiness Requirements contained in this Selection Criteria.

g. Right to a Second Appeal

If an athlete is not satisfied with the decision of the Commissioner, a formal second appeal may be available, timelines permitting, pursuant to The Commissioner's Office – Terms of Reference (see <http://athletics.ca/federation/governance/policies-rules-laws/>) to the Sport Dispute Resolution Centre of Canada (SDRCC).

17. Amendments

AC reserves the right to amend this Selection Criteria. If amendments are made, they will be communicated as soon as possible through the AC website.

Athletics Canada is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact this competition. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, Athletics Canada will respect this selection criteria as written.

Athletics Canada Selection Criteria
2022 WORLD ATHLETICS U20 CHAMPIONSHIPS

However, situations related to the coronavirus pandemic may arise that require this criteria to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the criteria (including Athletics Canada's decision whether or not to send a team). In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.

Further, situations may arise that do not allow this criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including selection decisions, will be made by the individual(s) with decision-making authority, as stated in this criteria in accordance with the stated performance objectives as stated herein. Should it be necessary to make any decision in this manner, Athletics Canada will communicate with all affected individuals as soon as possible.

In addition to the above, the NTC may amend the Criteria under the following circumstances:

- 1) When additional (or altered) information that is deemed relevant by the NTC to the Criteria is provided by external parties, such as (but not limited to) an event organizing committee, Sport Canada, the Canadian Olympic Committee, World Athletics, or any other relevant organization; and
- 2) To correct, clarify or amend any inconsistencies, errors or omissions in the Criteria.

Any amendments made by the NTC are deemed to come into effect immediately upon publication on the AC website. The NTC will publish the amended Criteria by whatever means and wherever the original Criteria were published.

18. Unforeseen Circumstances

In situations where unforeseen circumstances do not allow the process for selection as contemplated in this Selection Criteria to be implemented, the NTC reserves the right to determine an appropriate course of action. Depending on the circumstances, such course of action may involve implementation of an alternate process for selection.
