Athletics Canada Selection Criteria NACAC Half Marathon Championships

3. Overview

- a. These Selection Criteria (“Criteria”) set out Athletics Canada’s selection processes for the NACAC Half Marathon Championships team along with the eligibility and qualification requirements that an athlete must satisfy in order to be considered for selection.
- b. Entries to NACAC Half Marathon Championships are limited by the bylaws, rules and regulations of the following Governing Bodies:
 - i. Athletics Canada (“AC”);
 - ii. The NACAC Half Marathon Championships Local Organizing Committee (“LOC”); and
 - iii. World Athletics (“WA”).
 - iv. North American, Central American and Caribbean Athletic Association (NACAC)
- c. If there are contradictions between any of the Governing Bodies’ bylaws, rules and/or regulations and these Criteria, then the more restrictive will take precedence. Note that this clause is notwithstanding any qualification standards set by a Governing Body, AC reserves its right to set standards that are stricter than those set by any Governing Body.
- d. AC’s National Team Committee (“NTC”) is responsible for the contents of this Criteria and has the sole authority and discretion to make changes to its contents. The Selection Panel has the sole authority and discretion to make decisions relating to the selection of athletes based on these criteria. The Selection Panel is covered in Section 10, below.

4. Key Dates

- a. Qualification Period starts: October 1, 2021
- b. Qualification Period ends: May 1, 2022
- c. Final Declaration Deadline May 1, 2022
- d. Selection Meeting Date May 3, 2022
- e. Team Travel Date TBC Pending LOC Information
- f. Competition Dates May 22, 2022
- g. Each date will be considered to start at midnight (00:00am) and end at 11:59pm in the athlete’s local timezone, unless stated otherwise above.

5. Team Objectives

- a. This selection process is designed to align with AC’s Strategic Plan 2028. As such, it seeks to prioritize the selection of athletes who have demonstrated an ability to contribute to the following performance targets at the NACAC Half Marathon Championships, presented in priority order:
 - i. Total number of medals;
 - ii. Total number of top 8 finishes;
 - iii. Total number of athletes finishing in the top half of their field;
 - iv. Total number of athletes beating their pre-event ranking;

Athletics Canada Selection Criteria
NACAC Half Marathon Championships

- v. Total number of athletes setting personal bests; and
- vi. Total number of athletes setting season's bests.

6. Funding

- a. Athletes will be responsible for all costs associated with transport to and from their approved local airport.
- b. **Competition Levy:** The final cost of participation has yet to be finalized. Subject to this information, combined with finalized AC approved budget figures for 2022-2023, there is a possibility athletes will be asked to pay a Competition Levy in order to compete. The Competition Levy must be paid in full to an AC account before they travel to the 2022 NACAC Half Marathon Championships. Failure to pay the Competition Levy on time will result in the athlete being removed from the team.

7. NACAC Half Marathon Championships Events

- a. **Events**
AC may select athletes for the Events: Open Men's Half Marathon, Open Women's Half Marathon.
- b. **Maximum Entries per Event:** Up to three (3) athletes may be selected per Event.

8. Selection Process

- a. The Selection Panel (Section 9) will make decisions in person or electronically, guided by these Criteria, on the Selection Meeting Date[s] (Section 4.d).
- b. A Qualified Athlete is an Eligible Athlete (Section 12) who has achieved one or more Eligible Performances (Section 13) that meet or exceed the AC Minimum Entry Standard ("AC MES") as listed in Appendix A. The AC Minimum Standards are equal to a minimum performance of 950 pts for men and 1000pts for women, using the WA Scoring Table of Athletics – Outdoor - 2022 (available [here](#)).
- c. The Selection Panel will only consider Qualified Athletes (see above).
- d. **Discretionary Selection Decisions**
Whenever these Criteria give the Selection Panel a choice between two or more Qualified Athletes then the Selection Panel will use its joint experience and expertise to select the athlete(s) who, in their sole opinion, are most likely to contribute to the Team Objectives (Section 5) at the NACAC Half Marathon Championships.

In making these decisions related to Individual Events the Selection Panel will take into account, but not be limited to, the following factors (the order of factors does not imply an order of priority for the Selection Panel):

Athletics Canada Selection Criteria NACAC Half Marathon Championships

- Best performance during the Qualifying Period;
- Head-to-head results during the Qualifying Period;
- Health and fitness levels that indicate optimal competitive readiness;

e. Individual Event Selection Process

- i. Eligible athletes (section 12) who have achieved a Qualifying Standard (see Appendix A) during the Qualifying Period (see section 4) will be given an “Overall Ranking” based on their best eligible performance in terms of WA Points. Separate rankings lists will be established for men and women.
- ii. Athletes will be selected in order of their “Overall Ranking” (per gender) until the Maximum Team Size Quota (Section 7. b) is filled.

NOTE: Ties will be broken in the following order of priority:

- 1) Best Half Marathon performance within the Qualifying Period;
- 2) If the tie is still not broken, the Selection Panel will use its discretion to do so considering the additional factors outlined in Section 8.d.

9. Selection Meeting(s)

- a. The Selection Panel (Section 10) will make decisions on the date(s) as indicated in Section 4 to select the team according to these Criteria.
- b. The Chair of the Selection Panel will decide if the meeting will be held in person or electronically, for example by voice or video conferencing or by email.
- c. AC will keep a written record of the proceedings of the Selection Meeting and its outcomes.
- d. The outcome will be published via an Official Team Announcement (Section 11).

10. Selection Panel

Athletics Canada Selection Criteria NACAC Half Marathon Championships

f. Injury or illness

Where an Appeal relates to injury or illness, the athlete must supply documentation from a medical practitioner diagnosing the injury or illness. In deciding such appeals, AC's Commissioners' Office may obtain input from the AC Chief Medical Officer, or designate. Any decision by the Commissioner on an appeal relating to illness or injury must take into consideration the athlete's ability to fulfill the Competitive Readiness Requirements contained in this Selection Criteria.

g. Right to a Second Appeal

If an athlete is not satisfied with the decision of the Commissioner, a formal second appeal may be available, timelines permitting, pursuant to The Commissioner's Office – Terms of Reference (see <http://athletics.ca/federation/governance/policies-rules-laws/>) to the Sport Dispute Resolution Centre of Canada (SDRCC).

17. Amendments

AC reserves the right to amend this Selection Criteria. If amendments are made, they will be communicated as soon as possible through the AC website.

Athletics Canada is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact this competition. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, Athletics Canada will respect this selection criteria as written.

However, situations related to the coronavirus pandemic may arise that require this criteria to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the criteria (including Athletics Canada's decision whether or not to send a team). In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.

Further, situations may arise that do not allow this criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including selection decisions, will be made by the individual(s) with decision-making authority, as stated in this criteria in accordance with the stated performance objectives as stated

**Athletics Canada Selection Criteria
NACAC Half Marathon Championships**

herein. Should it be necessary to make any decision in this manner, Athletics Canada will communicate with all affected individuals as soon as possible.

In addition to the above, the NTC may amend the Criteria under the following circumstances:

- 1) When additional (or altered) information that is deemed relevant by the NTC to the Criteria is provided by external parties, such as (but not limited to) an event organizing committee, Sport Canada, the Canadian Olympic Committee, World Athletics, or any other relevant organization; and
- 2) To correct, clarify or amend any inconsistencies, errors or omissions in the Criteria.

Any amendments made by the NTC are deemed to come into effect immediately upon publication on the AC website. The NTC will publish the amended Criteria by whatever means and wherever the original Criteria were published.

18. Unforeseen Circumstances

In situations where unforeseen circumstances do not allow the process for selection as contemplated in this Selection Criteria to be implemented, the NTC reserves the right to determine an appropriate course of action. Depending on the circumstances, such course of action may involve implementation of an alternate process for selection.
