Athletics Canada Selection Criteria 2023 Pan American Games

2. Change History

This is version 3.0 of these Criteria which supersede all previous versions.

May 31, 2023: Added Section 13 “Final Phase Preparation Requirements”

February 21, 2023

- **Section 4:** Added 20km Race Walk to earlier Qualifying Period.

3. Overview

- a. These Selection Criteria (“Criteria”) set out Athletics Canada’s selection processes for the 2023 Pan American Games team along with the eligibility and qualification requirements that an athlete must satisfy in order to be considered for selection.
- b. Entries to 2023 Pan American Games are limited by the bylaws, rules and regulations of the following Governing Bodies:
 - i. Athletics Canada (“AC”);
 - ii. The 2023 Pan American Games Local Organizing Committee (“LOC”); and
 - iii. World Athletics (“WA”).
 - iv. Association of Panamerican Athletics (APA)
 - v. Canadian Olympic Committee (COC)
 - vi. PanAm Sports Organisation (PASO)
- c. If there are contradictions between any of the Governing Bodies’ bylaws, rules and/or regulations and these Criteria, then the more restrictive will take precedence. Note that this clause is notwithstanding any qualification standards set by a Governing Body, AC reserves its right to set standards that are stricter than those set by any Governing Body. The PASO Qualification System can be found [here](#).
- d. AC’s National Team Committee (“NTC”) is responsible for the contents of this Criteria and has the sole authority and discretion to make changes to its contents. The Selection Panel has the sole authority and discretion to make decisions relating to the selection of athletes based on these criteria. The Selection Panel is covered in Section 10, below.

ii. Relay Events:

1. **Relay Squad:** For each qualified and nominated relay team up to six (6) athletes may be nominated, forming the Relay Squad;
2. The Relay Squad must be nominated for individual events;
3. Athletes entered into the individual 100m must be nominated in the 4x100m Relay Squad;
4. Athletes entered into the individual 400m must be nominated into the 4x400m Relay Squad and/or the mixed 4x400m Relay Squad.
5. Athletes only entered into an individual event may contest the relays, even if they were not specifically nominated as Relay Squad members.

c. Maximum Events per Athlete

- i. **LOC restrictions:** There are no restrictions on the number of events for which an athlete may be nominated, although Scheduling Conflicts (see below) may make some “doubles” impractical.
- ii. **Scheduling conflicts:** Where the Selection Panel believe that a likely scheduling conflict will impact an individual athlete’s and/or the overall team’s ability to meet the Team Objectives (Section 5) they may limit the number of events for which they nominate the impacted athlete(s).

8. Selection Process

- a. The Selection Panel (Section 9) will make decisions in person or electronically, guided by these Criteria, on the Selection Meeting Date[s] (Section 4).

Athletics Canada Selection Criteria 2023 Pan American Games

- b. A Qualified Athlete is an Eligible Athlete (Section 12) who has achieved one or more Eligible Performances (Section 4) that meet or exceed the AC Entry Standard (“AC ES”) as listed in Appendix A *and* appear on the list of Qualified Athletes to be published by APA “APA Qualified Athlete List”
- c. The APA Qualified Athlete List is determined by:
 - i. Having finished first in the following competitions:
 - 1. South American Games – ODESUR – Asuncion 2022
 - 2. NACAC Senior Athletics Championship – Grand Bahamas 2022
 - 3. Central American and Caribbean Games – Centro Caribe Sports – El Salvador 2023
 - 4. South American Senior Athletics Championship – TBC – 2023
 - ii. Additional quota positions will be filled based on the ranking of the Pan American area between January 1, 2022 and September 18, 2023.
- d. The Selection Panel will only consider Qualified Athletes (see above).

e. Discretionary Selection Decisions

Whenever these Criteria give the Selection Panel a choice between two or more Qualified Athletes then the Selection Panel will use its joint experience and expertise to select the athlete(s) who, in their sole opinion, are most likely to contribute to the Team Objectives (Section 5) at the 2023 Pan American Games.

In order to distinguish between two or more Qualified Athletes (Section 8.b8.d) for any event the Selection Panel may, at their sole discretion, consider additional official competition performances that don't fully otherwise meet the Eligible Performances criteria (Section 144).

Individual Events

In making these decisions related to Individual Events the Selection Panel will take into account, but not be limited to, the following factors (the order of factors does not imply an order of priority for the Selection Panel):

- Best performance during the Qualifying Period;
- Head-to-head results during the Qualifying Period;
- Results at the National Championships in this event;
- Health and fitness levels that indicate optimal competitive readiness;
- Competition evidence of the ability to performance on demand, preferably in the same event and at this level of competition;
- The impact of the likely competition schedule for athletes competing in one or more events and/or one or more rounds

Relay Events

In making these decisions related to Relay Events the Selection Panel will take into account, but not be limited to, the following factors (the order of factors does not

Athletics Canada Selection Criteria 2023 Pan American Games

imply an order of priority for the Selection Panel):

- Best performance during the 2023 season in individual events;
- Head-to-head results during the 2023 season in individual events;
- Placing at the National Championships in his/her individual event.
- Health and fitness levels that indicate optimal competitive readiness.
- Commitment to the National Relay program as determined by attitude, attendance, participation, and performance at national team camps, competitions, and events.
- Performance on previous relay teams.
- Assessment of relay skills and position suitability.
- The impact of the likely competition program for athletes competing in one or more events and/or one or more rounds

For the avoidance of doubt: ranking in an individual event (e.g. the 100m for the 4x100m relay) is important but is not the only factor in making relay squad nominations.

f. Individual Event Selection Process

If the number of Qualified Athletes (Section 12) is within the Event Quota (Section 7.b), all of the Qualified Athletes will be nominated. If the number of Qualified Athletes exceeds the remaining Event Quota, Qualified Athletes will be nominated in priority order based on their ranking within the Qualification Period (Section 4) until the Event Quota is full (“Top List” style ranking, not to be confused with World Athletics Points rankings used for qualification to other major championships). In the case of a tie in the rankings, the Selection Panel will use its discretion to break the tie using the factors outlined in 8.d, above.

g. Relay Event Selection Process

i. Team Qualification

Relay teams will automatically qualify based on the following:

- Having finished in the first two places in the following competitions:
 - i. South American Games – ODESUR – Asuncion 2022
 - ii. NACAC Senior Athletics Championship – Grand Bahamas 2022
 - iii. Central American and Caribbean Games – Centro Caribe Sports – El Salvador 2023
 - iv. South American Senior Athletics Championship – TBC – 2023
- Additional teams will qualify based on ranking of the Pan American area between January 1, 2022 and September 18, 2023.

Canada will only accept qualification place(s) and enter relay team(s) if the Selection Panel decides that the athletes nominated for individual events (above) will form a squad that contributes to the overall team objectives (Section 5). No relay-only athletes will be nominated to the team.

Athletics Canada Selection Criteria 2023 Pan American Games

ii. Selections of Squad Members

1. Automatic Selections

All athletes nominated to the 2023 Pan American Games Team for the individual 100m (4x100m) or individual 400m (4x400m) will be automatically nominated for the relevant relay squad.

2. Discretionary Selections

For each nominated relay team the Athletics Canada Head Coach will nominate “Additional Relay Athletes” to the Selection Panel to complete the most competitive relay squads based on the process described in Section 8.d.iii. Additional Relay Athletes must be nominated as Individual Athletes (no relay-only athletes will be nominated to the team).

9. Selection Meeting(s)

- a. The Selection Panel (Section 10) will make decisions on the date(s) as indicated in Section 4 to select the team according to these Criteria.
- b. The Chair of the Selection Panel will decide if the meeting will be held in person or electronically, for example by voice or video conferencing or by email.
- c. AC will keep a written record of the proceedings of the Selection Meeting and its outcomes.
- d. The outcome will be published via an Official Team Announcement (Section 10.d).
- e. The Final Team Selection meeting by the Team Selection Committee of the COC will take place prior to September 29, 2023.

10. Selection Panel

- a. The 2023 Pan American Games Selection Panel has the sole authority and discretion to make decisions relating to the nomination of athletes for the 2023 Pan American Games up until the Team Travel Date (Section 4).
- b. The Selection Panel is responsible for nominating athletes to the COC. Final decision-making authority on athlete selection rests with the Team Selection Committee of the COC.
- c. From the Team Travel Date (Section 4) forwards “On-site Decision Making Authority” will apply (Section 16).
- d. The Selection Panel will be comprised of the members of the National Teams Committee (NTC).

11. Official Team Announcement

Athletics Canada Selection Criteria 2023 Pan American Games

- a. The provisional composition of the nominated team will be announced by AC in conjunction with the COC, on the AC website, as soon as practical after the Selection Meeting (Section 4).
- b. Athletes may be contacted directly by AC prior to the Official Team Announcement to confirm their selection or non-selection.

12. Eligible Athletes

To be considered for selection for this team:

- a. **Declaration:**
Athletes must declare their interest to compete by submitting the electronic declaration form, published on the AC website, by the Final Declaration Deadline (Section 4). Note that by declaring interest for this team, the athlete agrees to be bound by AC Bylaws and Technical Rules and obligations specific within this Selection Criteria which include Team Travel Obligations (Section 15) and the Appeals process (Section 16).
- b. **Eligibility to Represent Canada:**
 - i. Athletes must hold Canadian Citizenship.
 - ii. Athletes must hold a Canadian passport valid until at least May 8, 2024.
- c. **Membership Requirements:**
Athletes must be a registered athlete member of an AC Branch at the time of qualification and through the 2023 Pan American Games.
- d. **Age Restrictions**
For the Marathon and Race Walk, athletes must be at least 18 years old on December 31, 2023. For all other events, athletes must be at least 16 years old on December 31, 2023.
- e. **Anti-doping Compliance**
 - i. Athletes must comply with the anti-doping rules of WA, AC, CCES, WADA and any other anti-doping organization with authority over the athlete.
 - ii. Athletes must complete any anti-doping eLearning courses as required.
- f. **Good Standing**
Athletes must be in good standing with AC, AC Branches, CCES, WA, WPA and all other Governing Bodies listed in Section 3.b .
- g. **Relays**
To be nominated for a Relay Team, athletes must sign the National Relay Team Athlete Agreement by the Final Declaration Deadline (Section 4).

Note that if circumstances dictate that an athletics team member who is not part of a nominated Relay Team is selected to run a relay at the 2023 Pan American Games (if

Athletics Canada Selection Criteria 2023 Pan American Games

allowed by competition rules) then the athlete must sign the National Relay Team Athlete Agreement before competing. In these circumstances, the Head Coach can waive the deadline above.

h. Forms and Agreements

Athletes (or Guardian, if athlete is a minor) must sign, submit and comply with all required forms and agreements, including:

- i. Health Questionnaire (Electronic Pre-Participation Questionnaire)
- ii. COC Athlete Agreement
- iii. Relay Agreement
- iv. Santiago 2023 Eligibility Conditions Form
- v. Travel Waiver

i. COVID-19

- i. Athletics Canada will follow host location, COC and LOC public health restrictions, and as such, vaccination may be a requirement for some national team activities.
- ii. By accepting team membership all team members accept that they will comply with COVID mitigation measures, such as social distancing, hand washing and wearing mask, or risk removal from the team.

13. Final Phase Preparation Requirements

- a. Athletes are expected to demonstrate final phase preparation and be able to deliver a peak performance at the 2023 Pan American Games.

b. Injury or Illness

Athletes who arrive at an international competition injured or ill consume a disproportionate amount of Integrated Support Team (IST) time and resources that should be spent on preparing healthy athletes to compete at their best. It is therefore AC's intention to work with the nominated athletes that have been injured or ill to help them recover in time for the competition with a minimal impact to training, or (in the event that full recovery is not possible for this competition) to ensure full recovery so that full training can resume and long-term potential is optimized. With this in mind, the Selection Panel reserves the right to deselect injured/ill athletes who are not sufficiently healthy/fit to perform at their best at the competition.

Once nominated, and until the 2023 Pan American Games, athletes are required to immediately report any injury, illness, or change in training status that could affect their ability to compete at their highest level. Failure to properly report injury or illness prior to the event may result in the athlete being deselected and held financially responsible for all the athlete's costs associated with the event. Notification must be sent immediately to nationalteams@athletics.ca.

Once notified of an athlete's injury, illness or change in training status that could affect their performance, AC team staff will work with the athlete, coach and local/national team IST

Athletics Canada Selection Criteria 2023 Pan American Games

resources to ensure that a complete injury and illness assessment has occurred and a recovery plan is in place. This assessment will include a determination of the athlete's potential for recovery and ability to compete at their best. This determination will comprise of two steps:

STEP 1: Medical Clearance

Generally done by local IST in collaboration with AC's National IST and consists of 2 phases:

- a) An initial medical evaluation and paramedical assessment(s) to confirm the diagnosis and determine if/when the athlete is fit to return to full training or competition.
- b) A functional evaluation by IST with experience specific to the event demands (and injury or illness if applicable). This may include assessment of the athlete's movement pattern, for example, during a run, hurdle, jump, walk, or throw to identify dysfunctional movement patterns that may be contributing to the injury and potentially increase the risk of re-injury or undermine their competition performance.

STEP 2: Specific Evaluation

Following medical clearance by the AC Chief Medical Officer in consultation with the medical team, a more comprehensive physical readiness test (the "Performance Test") to compete will be established as follows:

- c) Determination of the Performance Test will involve the AC Head Coach, the event Team Coach, and the athlete's Personal Coach.
- d) The Performance Test will vary according to the event, injury or illness.
- e) The Performance Test will be objective, measurable, fair, realistic, specific to the event, and challenging.

If the athlete is deemed unfit to resume training/competition, or does not meet the Performance Test standard, the athlete will be declared unready for competition and the results of the two steps will be forwarded to the Selection Panel for a decision.

The NTC will use all available information at their disposal including performance results and progress in the final phase, suitability of the training and competition plan, fitness and other final phase indicators, consultation with the AC Head Coach, AC National IST leads, the athlete's personal IST, and any other performance related information (i.e. Performance Test results when applicable) to determine if the injured/ill athlete will be deselected and will not travel with the team.

The NTC may nominate the next eligible athlete, provided that the alternate athlete has proven their preparation during the final phase and meets the eligibility criteria detailed in Section 12 and all event specific requirements in relation to qualifying standards and timelines. The Selection Panel will determine the "next eligible athlete" by using the process described in Section 8.

Athletics Canada Selection Criteria 2023 Pan American Games

14. Eligible Performances

- a. An Eligible Performance will be a competition result that:
 - i. Was achieved within the Qualification Period (Section 4); and
 - ii. Was achieved by an Eligible Athlete (Section 12); and
 - iii. Was achieved at an Eligible Competition (Section 14.b); and
 - iv. Is listed on an Official Ranking List (Section 14.c) prior to the relevant Selection Meeting (Section 9); and
 - v. Otherwise met all of the Performance Conditions (Section 14.d).

- b. **Eligible Competitions**
 - i. Performance results must be achieved at competitions organized or authorized by the WA or WPA, their Area Associations or National Member Federations, and must be conducted under WA or WPA rules. Thus, results achieved at university, college or school competitions must be certified by the National Member Federation of the country in which the competition was organized in order to be considered an eligible competition.
 - ii. Performance results must have been achieved at competitions listed on an AC Branch Provincial Fixtures Lists or on a WA or WPA National Member Federation fixture list.
 - iii. Canadian competitions must appear on Provincial Fixtures lists a minimum of 30 days prior to the competition. A Provincial Branch may request that this period be reduced where COVID pandemic related issues have made it unrealistic to list the competition earlier. The NTC will decide on a case-by-case basis if they will allow the performance to stand for selection purposes, provided the following requirements are met:
 - 1. The competition must appear on the Provincial Fixtures lists a minimum of 3 working days prior to the competition; and
 - 2. The Province must request an exemption, in writing, a minimum of 3 working days prior to the competition which includes how COVID related restrictions made it unrealistic to list the competition earlier. (The request should be addressed initially to the chair of the NTC, the High Performance Director.)

- c. **Official Ranking Lists**
 - i. The AC Performance Ranking Lists are published on the AC website.
 - ii. The WA World Rankings Points Lists are published on the WA website.

Athletics Canada Selection Criteria 2023 Pan American Games

- iii. An athlete's performance is considered to be on the Official Ranking Lists if:
 1. It is listed in the AC Performance Ranking Lists (which requires the athlete be an AC member in good standing at the time of the performance); or
 2. If these Criteria allow qualification by WA World Ranking points, then an athlete's overall World Ranking points score (which may include individual results that are not on the AC Performance Ranking Lists) must be listed on the WA World Rankings Points Lists.
- iv. It is the sole responsibility of the athlete to ensure that all of their relevant performances are included in the AC Performance Ranking Lists and/or WA World Rankings Points Lists prior to the relevant Selection Meeting (see Section 9).

d. Performance Conditions

i. Mixed Events

1. Performance results achieved in mixed track events under 5000m involving both male and female participants, held completely in a stadium, **will not** be accepted.
2. However, mixed relay team results **will be** accepted in the context of mixed relay event selections.
3. In accordance with World Athletics Rule 147 (available [here](#)), as amended from time to time, performances achieved in events of 5000m and 10,000m **may** be accepted in circumstances where there were insufficient athletes of one or both genders competing to justify the conduct of separate races and there was no pacing or assistance given by an athlete(s) of one gender to an athlete(s) of the other gender. Athletes are asked to highlight such results to the Selection Panel as early as possible so that their validity can be confirmed in advance.

ii. Wind-assistance

1. Individual wind-assisted performances **will not** be accepted.
2. For the Combined Events at least one of these conditions must be met:
 - The wind velocity in any individual event shall not exceed plus 4 metres per second.
 - The average wind velocity (based on the algebraic sum of the wind velocities, as measured for each individual event, divided by the number of such events) shall not exceed plus 2 metres per second.
3. Where qualification is allowed by WA World Ranking points and wind assisted results are allowed by the WA World Ranking system, an athlete's overall World Ranking points score (that may include wind assisted results) **will** be accepted.

Athletics Canada Selection Criteria 2023 Pan American Games

iii. **Hand-timed performances**

Hand-timed performances in individual and relay events up to and including the 800m **will not** be accepted. For all other timed events, hand-timed results will be accepted as long as the result is properly documented and signed by the chief track referee. Note that where qualification is allowed by WA World Ranking points and hand timed times are allowed with the WA World Ranking system, the overall World Ranking points score (including hand timed results) will be accepted.

iv. **Converted times**

Converted times, for example a mile time converted to a 1,500m time, **will not** be allowed. Note that where qualification is allowed by WA World Ranking points and a combination of distances is allowed by the WA World Ranking system, an athlete's overall World Ranking points score (that may include converted times) will be accepted.

v. **Split times**

Official split times, for example an official electronic 1,500m time within a mile race, **will** be accepted.

vi. **Downhill performances**

Downhill performances **will not** be allowed. Note that where qualification is allowed by WA World Ranking points and downhill performances are allowed by the WA World Ranking system, an athlete's overall World Ranking points score (that may include downhill performances) will be accepted.

vii. **Indoor performances**

Indoor performances **will** be accepted.

viii. **Racewalk and Road Running performances**

1. Both road and track performance results **will** be accepted.
2. All road results must be achieved in conformity with the following rules:
 - the course must be certified and sanctioned by a National Governing Body (Section 3.b).

15. Team Travel Obligations

- a. Athletes who wish to participate on a National Team are required to comply with AC travel plans (including participation in pre-competition and pre-target-event training camps and competitions) as they pertain to training schedules, travel and accommodation schedules.
- b. By declaring interest for consideration for this team, athletes agree to fully participate in both the final preparation camp and the full duration of the event specified in Section 4 of this Criteria.

**Athletics Canada Selection Criteria
2023 Pan American Games**

- c. By accepting a position on this team, athletes also agree to travel on the official traveling dates.
- d. In extraordinary circumstances, exceptions to these Team Travel Obligations may be granted at AC's sole discretion. The request for an exemption must be made in writing to the AC HPD in advance of travel dates, requests must be made on or before the Final Declaration Deadline (Section **Error! Reference source not found.**).
- e. Failure to comply with these Team Travel Obligations may result in de-selection from this team and may affect current high performance support status (for example CAPP or AAP support) and/or future high performance support eligibility. Any additional costs incurred as a result of failure to comply with these Team Travel Obligations will be the sole responsibility of the athlete.

16. On-Site Decision Making Authority

- a. To ensure at-competition decisions may be made quickly and decisively in the best interest of performance, the following delegation of authority and processes for making final confirmation of entries onsite at the will apply. This includes, but is not limited to, decisions around removal of an athlete from the team, injuries and /or use of alternates, starting orders, relay team make up, etc.
- b. Starting on the Team Travel Date (Section 4) all final Decision Making Authority ("DMA") will reside with the High Performance Director ("HPD") or the team's appointed Head Coach in the absence of the HPD.
- c. As per competition regulations, the athletes entered to compete in individual events will be confirmed during the competition. The timing is to be confirmed by the LOC but typically confirmations will be made before noon two days before the first day of competition and before 9am the day before each remain day of competition. Any final changes of the team will be made by the HPD (or whomever has the DMA).
- d. The deadline for confirming the composition of relay teams, including the running order, will be confirmed during the competition. The timing is to be confirmed by the LOC but typically confirmations will be made one hour before the published first call time for each relay event. The composition of the relay teams, including the running order, shall be at the sole discretion of the team's Head Coach or the HPD in the absence of the Head Coach.

17. Appeals

- a. **Who Can Appeal**
Athletes who are directly affected by a selection decision have the right to appeal.
- b. **Filing a First Appeal**

Athletics Canada Selection Criteria 2023 Pan American Games

- i. Athletes should refer to the Commissioner's Office – Terms of Reference for the full procedure for filing an appeal (see <https://athletics.ca/about-ac/governance/>).
- ii. In the first instance, Appeals must be sent to the AC Commissioners' Office via e-mail (to Commissioner@athleticscommissioner.ca) within the Appeals Period (Section 17.c below).
- iii. All appeals must be accompanied by a fee of \$250 (payable to Athletics Canada). This amount will be returned if the appeal is successful. Contact appeals@athletics.ca for payment options.

c. Appeals Period

The Appeals Period starts when the Provisional Team List is published (see Section 4) and ends **five (5)** calendar days later. (So if the Official Team Announcement is made on Monday the Appeals Period ends at midnight on the following Saturday.)

d. Grounds for an Appeal

The Commissioners' Office will determine whether an appeal will be considered, based on the following factors:

- i. The Selection Panel failed to follow the processes outlined in this Selection Criteria;
- ii. The selection decision was based on an error of fact; or
- iii. The selection decision was influenced by bias, bias being defined as a lack of neutrality to such an extent that the Selection Panel was unable to consider other views.

e. Affected Parties

If it is determined by the Commissioner that a first Appeal, if successful, would displace another athlete nominated to the team as per this Selection Criteria, then that athlete will be consulted as part of the Commissioner's deliberations, and will be bound by the Commissioner's decision.

f. Injury or illness

Where an Appeal relates to injury or illness, the athlete must supply documentation from a medical practitioner diagnosing the injury or illness. In deciding such appeals, AC's Commissioners' Office may obtain input from the AC Chief Medical Officer, or designate. Any decision by the Commissioner on an appeal relating to illness or injury must take into consideration the athlete's ability to fulfill the Competitive Readiness Requirements contained in this Selection Criteria.

g. Right to a Second Appeal

If an athlete is not satisfied with the decision of the Commissioner, a formal second appeal may be available, timelines permitting, pursuant to The Commissioner's Office – Terms of Reference (see <http://athletics.ca/federation/governance/policies-rules-laws/>) to the Sport Dispute Resolution Centre of Canada (SDRCC).

Athletics Canada Selection Criteria 2023 Pan American Games

18. Amendments

AC reserves the right to amend this Selection Criteria. If amendments are made, they will be communicated as soon as possible through the AC website.

Athletics Canada is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact this competition. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, Athletics Canada will respect this selection criteria as written.

However, situations related to the coronavirus pandemic may arise that require this criteria to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the criteria (including Athletics Canada's decision whether or not to send a team). In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.

Further, situations may arise that do not allow this criteria to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including selection decisions, will be made by the individual(s) with decision-making authority, as stated in this criteria in accordance with the stated performance objectives as stated herein. Should it be necessary to make any decision in this manner, Athletics Canada will communicate with all affected individuals as soon as possible.

In addition to the above, the NTC may amend the Criteria under the following circumstances:

- 1) When additional (or altered) information that is deemed relevant by the NTC to the Criteria is provided by external parties, such as (but not limited to) an event organizing committee, Sport Canada, the Canadian Olympic Committee, World Athletics, or any other relevant organization; and
- 2) To correct, clarify or amend any inconsistencies, errors or omissions in the Criteria.
